

MPS Annual Implementation Plan 2021

Practice Principles for Excellence in Teaching and Learning*

1. High expectations for every student promote intellectual engagement and self-awareness.	2. A supportive and productive learning environment promotes inclusion and collaboration.	3. Student voice and leadership empower students and build school pride.	4. Curriculum planning and implementation engages and challenges all students.	5. Deep learning challenges students to construct and apply new knowledge.	6. Rigorous assessment practices and feedback inform teaching and learning.	7. Evidence-based strategies drive professional practice improvement.	8. Global citizenship is fostered through real world contexts for learning.	9. Partnerships with parents and carers enhance student learning.
