

# PARENT PAYMENT ARRANGEMENTS GRADE 2 2026

Dear Parents and Carers,

Montpellier Primary School would like to advise you of our voluntary financial contributions, classroom curriculum contributions, specialist curriculum contributions, other contributions and extra-curricular items and activities for the 2026 school year.

Parent contribution, in all forms, assists our school to provide an enriched learning and teaching program for every student. We take great pride in the work we do with and for your children – and as such, really appreciate that our community makes paying their curriculum contributions a priority. Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. All money received or raised by the school is used to finance learning programs and to maintain and develop our school’s buildings and grounds.

For further information on the Department’s Parent Payment Policy please see the attached one-page overview.

Yours sincerely,  
Di Stainsby

Allan Domantay
