PURPOSE

To explain to parents/carers and staff how Montpellier Primary School will collect, use and disclose photographs, video and recordings of students, how parent/carer consent can be provided and how it can be withdrawn.

SCOPE

This policy applies to the general collection, use and disclosure of photographs, video and recordings (images) of students. It does not cover the use of Closed Circuit Television (CCTV). The use of CCTV is covered in our school's CCTV policy.

POLICY

This policy outlines the practices that Montpellier Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which Montpellier Primary School will seek parent/carer consent and how consent can be provided and/or withdrawn.

As a general rule, use relates to images which are shared and distributed only within the school for school purposes (i.e. ID photos, Compass), whilst disclosure is used for images which are shared and distributed outside of the school staff and are available to other students, parents/carers and the wider school community.

Montpellier Primary School will ensure that parents/carers are notified upon enrolment and at the commencement of each school year of the ways in which our school may use images of students. There are many occasions during the school year where staff photograph, film or record students participating in school activities or events, for example classroom activities, sports events, concerts, excursions, camps, etc. We do this for many reasons including to celebrate student participation and achievement, showcase particular learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters and on classroom platforms and apps such as SeeSaw.

Montpellier Primary School will use student images reasonably, appropriately and sensitively, consistent with our obligations under the Child Safe Standards and our school's *Child Safety Policy*. If at any time a parent/carer or student has a concern about the use of any images they should contact the principal.

In addition to the processes outlined below, parents/carers can contact the office on (03) 5243 2521 at any time to withdraw their consent for any future collection, use or disclosure of images of their child. However:

- if the images have already been published and are in the public domain, it may not be possible for consent to be withdrawn.

- There may be occasions when the school will record whole of school or large group events and make those recordings available to the school community through DVD sales etc., such as the school concert or sports events. If your child participates, they may appear in these recordings which will be available to the whole school community.
- The school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

OFFICIAL SCHOOL PHOTOGRAPHS

Each year Montpellier Primary School will arrange for a professional photographer to take official school photographs of students. This will generally involve both class photos and individual photos being taken.

Official school photographs may be:

- purchased by parents/carers
- used for school identification cards
- stored on CASES21 for educational and administrative purposes.

Montpellier Primary School will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the official school photographs.

Parents/carers who choose to opt-out of having their child participate in official school photographs must contact the school office on (03) 5243 2521 before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken.

- for identification purposes, when necessary to implement discipline and/or behaviour management policies.

Montpellier Primary School does not require or obtain consent from parents/carers or students to photograph, film or record students for these reasons. However, when Montpellier Primary School photographs, films or records a student for any of these purposes, staff will only collect and use such images in a way that is reasonable and appropriate in the circumstances.

STAFF USE OF SCHOOL BASED DEVICES

School staff may use their allocated school based devices to capture images, videos or recordings of students for reasonable and legitimate educational purposes (for example; during classroom activities to capture learning, improving professional development).

STAFF USE OF PERSONAL DEVICES

School staff may use their own personal devices to capture images of students for reasonable and legitimate educational purposes (for example during school camps, excursions).
