PURPOSE

The purpose of the Student Uniform and Presentation Policy is to outline Montpellier Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Montpellier Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The wearing of school uniform has been selected to instill pride in our school, provide an identity within the community, and is fully supported by the School Council and all Staff.

The Student Uniform and Presentation Policy aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Montpellier Primary School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.
- To reduce the economic burden on families in the long term.
- Children gain an awareness of acceptable dress standards for specific occasions.
- Ensure all students are dressed safely and appropriately for school activities.
- Enhance the profile and identity of the school and its students within the wider community.

The School Council has developed a compulsory dress code that we believe provides a range of choices for students and is cost effective for families. While travelling to and from school, during school hours and when attending school activities, students are expected to comply with the following:

- Uniforms must be clean and in good repair
- Uniforms must be clearly marked with the owner's name
- Additional layers of clothing may be worn underneath the uniform for added warmth, provided these undergarments are completely hidden.

IMPLEMENTATION

Montpellier Primary school will ensure that this Student Uniform and Presentation Policy is communicated to all families and students through our website. We will assist students who may be experiencing difficulties complying with this policy where possible.

Students wearing non-compliant uniform items may be asked to change into a compliant item of clothing provided by the school.

If a student is out of school uniform or otherwise breaches the Student Uniform and Presentation Policy on a recurring basis, a note will be provided to the student and parents by the classroom teacher. If non-compliance with the dress code becomes a continued occurrence, the Principal will be informed and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance. The following list is a variety of options for our school uniform that are available:
